A. K. PANI,
For President.

Notice dated the 8th June 1912.

The following draft Bye-laws, having been approved by the Municipal Council at its meeting held on the 21st January 1912, are hereby published, under clause (2) of Section 48 of the Mysore Municipal Regulation, VII of 1906, for general information:—

2. Objections or suggestions in respect thereof received within one month from the date of publication of this notice will be considered by the Council.

Draft Bye-laws regulating Dairies and Cattle-sheds and Milk-stores, etc., within the limits of the City of Bangalore, framed under Section 48 (e) (i) & (ii) of the Mysore Municipal Regulation, VII of 1906.

The term "dairy" for the purpose of this bye-law means any premises where milch cattle are kept for the purpose of trade in milk or butter, or where trade in milk or butter is carried on.

2. The term "dairyman" for the purpose of this bye-law includes every person who carries on trade in milk or butter, or who keeps milch-cattle for the purpose of selling milk.

3. No person shall carry on trade as dairyman unless licensed by the Council.

4. A fee of Rs. 20 per annum shall be charged for each license under this bye-law.

5. He shall, whenever required by the President, Health Officer or any Officer authorised by him, bring out or cause to be brought out from such cattle-shed for the purpose of inspection at all reasonable hours all or any of the milch-cattle which may, for the time being, be stabled therein, and shall provide every such facility as may be required for enabling the person making such inspection to thoroughly examine the said animals or any of them.

Every dairy where milk cattle are kept shall satisfy the following conditions:—

6. Every dairyman shall provide a sufficient supply of water to the said premises from a Municipal main and shall not, without the previous approval in writing of the President or Health Officer, cause or suffer any water drawn from a well to be used for or supplied to the animals stabled in the said premises.

Water-supply to be provided.
Well water not to be used.

7. If the said premises do not fulfil the requirements of the next succeeding bye-laws, he shall so far alter the said premises, or any part thereof, as the President shall from time to time by notice in writing require, for the purpose of bringing the same into conformity, so far as may be deemed necessary with the said requirements or any of them.

Any of the requirements of bye-laws as to dairies and cattle sheds may be enforced.

8. The building shall, as far as possible, be open on all sides and shall in each case be approved by the President or Health Officer for the purpose of affording protection from the sun or rain.

Building to be open.

9. Stable for cattle shall not be less than twelve feet in height, measuring from the floor to the wall-plate, and if for one row of animals the breadth shall not be less than twelve feet, measuring from the outside of the manger to the opposite wall, and if for a double row of animals not less than 25 feet measuring from one manger to the other, if the mangers are placed against the external walls, and not less than 24 feet in breadth, measuring from the external walls if the mangers are placed in the centre of the stable and the space to be allowed for each cow, or buffalo, shall not be less than 6 feet in breadth. No large quantity of hay, grass, or straw to be kept or stored in any stable, cattle-shed or cow-house so as to encroach on or diminish the minimum space for animals specified above.

10. The floor shall be paved throughout with suitable stone slabs and the joints pointed well with asphalt, and the paving shall be so sloped as to ensure effectual drainage.
